GREEN BURSA

DAY 1 :

İSTANBUL-BURSA

We will pick you up from your hotel (city center hotels), with guide We will go to Bursa Bursa- via Yalova .Thermal spring city . BURSA Large city in northwest Turkey. It was the first capital of the Ottoman Empire between 1335-1363.

The city has nickname Green Bursa (Yesil Bursa) in reference to the parks and gardens, located across its urban fabrics, and richly varied forests of the surrounding region. The ski resort of mountain Uludag towers over it.

Green Mosque-It was built by architect Hacı Pasha at the request of Ottoman Sultan Mehmet Celebi 1415-1419. Located on the city named Green, Green Mosque composes of Musoleum (tomb), madrasah, cultivation and Turkish baths.

Inkaya Village-Known for the most old (610 years) Cinar tree.

You can choose kebab, chicken, beef, desert such as baklava and other delicious Turkish traditional food. during lunch.

Uludag Mountain-The ancient Mysian Olympus and Bithynian Olympus, popular center for winter sports. We will have free time for walking, and jeep safari.

Cable Car- We will take the cable car from Uludag (Olympos) mountain to Bursa, where you can enjoy a breath-taking panoramic view of Bursa. After tour we will return to İstanbul.
